<sup>ii</sup> A chronology of events makes it clear that the motivation for the anthrax attacks was to boost passage of the Patriot Act and incite Americans to war:

<sup>iii</sup> Anthrax letters traced to U.S. Army labs and their corporate contractors:

The Carlyle Group Subsidiary, EG&G, had access to Battelle and Fort Detrick anthrax by way of a service contract with Battelle. The Carlyle Group, a military contractor, included H.W.Bush and the Bin Laden family among its owners at that time. **Carlyle/EG&G was the connection between Battelle/Detrick and the Bush family at the time of the anthrax attacks.** Battelle makes the world’s most advanced aerosol powder

<sup>iv</sup> Fellow researcher: “It would have been impossible for Ivins to have grown, purified and loaded the amount of material in the letters in just six days. It simply could not be done.”

<sup>v</sup> **How the CIA Controls the News Media:** “William Colby (1920 - 1996), former and murdered Central Intelligence Agency director, once remarked that the “CIA controlled nearly every news establishment of importance in America.”

Dr. Ulfkotte says the corruption of journalists and major news outlets by the CIA is routine, accepted, and widespread in the western media, and that journalists who do not comply either cannot get jobs at any news organization, or find their careers cut short.
